BrainCert uses the words 'Chapter' and 'Lecture' to present course materials. This can be changed to suit your needs.

Click on the following link under your course options:

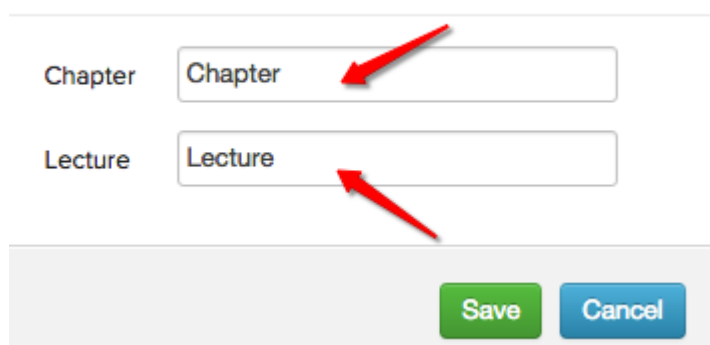

Click on 'language settings' in the course structure page

You can change words to anything like, Section, Unit, etc.,

## Language Settings

A screenshot of the 'Language Settings' form. It has two input fields: 'Chapter' with the value 'Chapter' and 'Lecture' with the value 'Lecture'. Red arrows point to each input field. At the bottom, there are two buttons: a green 'Save' button and a blue 'Cancel' button.
